Sketch

Languages
HTML
CSS
JavaScript

Libraries
React
React Redux
React Router

Coding Tools
Visual Studio Code
Version Control (Git)

Databases
Cloud Firestore
MongoDB

Platforms
Netlify
GitHub

Personal Interests

Outside of work I love helping others by volunteering with inner-city ministries, hiking in the mountains, and playing guitar. I have a passion for music and art as well as reading books from a wide range of genres.

Professional Experience

STRATEGIC MACHINES

Front-End Web Development Intern   **June 2020 - Present**
- Member of a team focused on redesigning a website which offers a new solution for targeting the consumer product and advertising industries - scope of responsibilities include wireframing, designing, coding and testing redesigned site
- Crafting engaging, efficient web pages that relay a brand's purpose and offerings through visual storytelling and interactive design

CLASSIC GRAPHICS

Project Manager   **August 2019 - May 2020**
- Worked with clients to gain insight into their marketing collateral needs and transition print requests into the production workflow
- Oversaw the path of jobs as they entered into the CRM, traveled through various methods of production, and shipped to clients within time-sensitive deadlines

Graphic Designer   **August 2017 - August 2019**
- Deployed on major national account to design and improve existing artwork for in-store retail signage and marketing campaign materials
- Prepared artwork and signage for print through various pre-flight processes
- Collaboratively developed a process improvement and automation infrastructure

INTERNATIONAL PAPER

Beverage Pre-Press & Design   **July 2016 - December 2016**
- Preflighted customer artwork to match brand specifications
- Executed pre-press operations needed to prepare artwork for production
- Created logos, banners, posters, and mockup beverage designs

THE GRAPHICS SOURCE

Design, Pre-Press & Press Operations   **May 2015 - August 2015**
- Designed client-requested artwork using Adobe Creative Suite
- Operated and maintained CET large-format press and Kongsberg CNC used to print rigid and flexible signage and apply custom finishing
